“Hello, I am a college student in the field of education. The place I want you to visit in Cambodia is Angkor Wat. The heart of Cambodia is there. It is worth coming to Cambodia just to visit Angkor Wat.”

“Let me tell you why I recommend Angkor Wat. Angkor Wat is beautiful. The carvings there are beautiful and captivating. My favorite sculpture is the one in front of the corridor. It was completed at the end of the 12th century, around the time of the Kamakura period in Japan.”

“It’s best to visit Angkor Wat in the afternoon to fully see its beauty. Do you know why? The front of its building faces west which the sunlight fully illuminates only in the afternoon. In the morning, we recommend that you visit Tap Lom instead, which has a scenery that will amaze people from all over the world.”
